

## ***Damned if I do***

I ain't got a heart of stone  
I'm hurtin' more now than I've ever known  
If you mean the things you said  
I'm gonna wind up outa my head  
Can't sleep alone at night  
I just can't seem to get it right  
Damned if I do  
Damned if I don't but I love you

I don't want to tie you down  
Don't need a reason to have you around  
But each time you walk away  
Don't be surprised if I ask you to stay  
Can't sleep alone at night  
I just can't seem to get it right  
Damned if I do  
And I'm damned if I don't but I love you  
I said I'm damned if I do  
And I'm damned if I don't cause I love you

I ain't got a heart of stone  
You haven't left me a mind of my own  
But it's got such a hold on me  
I don't think I could ever be free  
How can I survive  
I'm fighting to keep myself alive  
I'm damned if I do  
Damned if I don't but I love you

Can't seem to see the light  
I've done everything but I can't get it right  
Damned if I do  
Damned if I don't but I love you

## ***Damned into hell (Saved can you be)***

He's got a heart of stone  
since the day he walked all alone  
out in his deep despair,  
sold his soul to Satan there.  
Since then his days appeal,  
but at night his dreams reveal:  
Damned into hell,  
he knows it well and he fears it.

Satan takes no back seat,  
if you're with him, you'll have to eat  
and drink what he tells you to.  
Boy, you can bet that is hard to chew!  
Can't sleep well at night,  
you don't seem to get it right!  
Damned into hell,  
you know it well and you fear it.  
You're damned into hell,  
you know it well and you fear it.

He had a heart of stone  
but one day he was not alone.  
God sent someone to say:  
Please believe, you don't have to stay.  
Come back in His arms!  
Feel His love oh so warm!  
You're damned if you don't  
but saved if you do 'cause He loves you!

Come back and see God's light,  
He wants to forgive so you can get it right:  
Saved can you be,  
saved can you be 'cause He loves you!
