

## *Everybody knows*

Everybody knows that the dice are loaded  
Everybody rolls with their fingers crossed  
Everybody knows the war is over  
Everybody knows the good guys lost  
Everybody knows the fight was fixed  
The poor stay poor, the rich get rich  
    that's how it goes  
Everybody knows

Everybody knows that the boat is leaking  
Everybody knows that the captain lied  
Everybody got this broken feeling  
Ah, like their father or their dog just died  
Everybody talking to their pockets  
Everybody wants a box of chocolates  
    and a long-stem rose  
Everybody knows

Everybody knows that you love me baby  
Everybody knows that you really do  
Everybody knows that you've been faithful  
Ah, give or take a night or two  
Everybody knows you've been discreet  
But there were so many people  
    you just had to meet  
    without your clothes  
And everybody knows

Everybody knows  
Everybody knows  
That's how it goes  
Everybody knows

Everybody knows  
Everybody knows  
That's how it goes  
Everybody knows

And everybody knows that it's now or never  
Everybody knows that it's me or you  
And everybody knows that you live forever  
Ah, when you've done a line or two  
Everybody knows the deal is rotten  
Old Black Joe's still pickin' cotton  
    for your ribbons and bows  
And everybody knows

## *God is in control*

Everybody knows that we're in trouble  
'cause some fools hate our Lord so much.  
As they can't reach Him in the Heavens,  
they seek to destroy what they can touch.  
No, the war is not yet over,  
God himself will mark the end  
    with His mighty hand:  
God is in control.

Everybody knows there's much injustice  
between rich and poor on our earth.  
We must change the laws that are ungodly  
and appreciate mankind's true worth:  
We are created in God's image,  
every other thing is just a lie  
    and that implies:  
God is in control.

Everybody knows about Christ Jesus  
when He brought the message of God's love.  
And He will return to our planet  
to continue what He started off.  
Everybody knows that He's been living  
but so many people  
    are deceived,  
    they don't believe:  
God is in control.

God is in control,  
longs to save your soul.  
Since the days of old  
God is in control.

God is in control,  
longs to save your soul.  
Since the days of old  
God is in control.

Everybody knows whom they are fighting,  
God is laughing 'bout their idle plans.  
He is in control but He is patient  
waiting for the last one who repents.  
Only then He will sure take action,  
sending Nibiru to be near,  
    that will make clear:  
God is in control.

And everybody knows that the plague is coming  
Everybody knows that it's moving fast  
Everybody knows that the naked man and woman  
Are just a shining artifact of the past  
Everybody knows the scene is dead  
But there's gonna be a meter on your bed  
that will disclose  
What everybody knows

And everybody knows that you're in trouble  
Everybody knows what you've been through  
From the bloody cross on top of Calvary  
Ah, to the beach of Malibu  
Everybody knows it's coming apart  
Take one last look at this Sacred Heart  
before it blows  
And everybody knows

Everybody knows  
Everybody knows  
That's how it goes  
Everybody knows

Everybody knows  
Everybody knows  
That's how it goes  
Everybody knows

Everybody knows  
Everybody knows  
That's how it goes  
Everybody knows

Everybody knows...

(ausblenden)

Everybody knows that God is loving,  
wanting everybody to be saved.  
But there is salvation only in Jesus,  
every other path just leads to death.  
Turn to Jesus now as He is waiting,  
longs to save you from eternal hell,  
'cause I can tell:  
God is in control.

Yeah, everybody knows that God is loving,  
wanting everybody to be saved.  
But there is salvation only in Jesus,  
every other path just leads to death.  
Turn to Jesus now as He is waiting,  
longs to save you from eternal hell,  
'cause I can tell:  
God is in control.

God is in control,  
longs to save your soul.  
Since the days of old  
God is in control.

God is in control,  
longs to save your soul.  
Since the days of old  
God is in control.

God is in control,  
longs to save your soul.  
Since the days of old  
God is in control.

God is in control...
