

If you leave me now

If you leave me now
you'll take away the biggest part of me
ooh no baby please don't go

And if you leave me now
you'll take away the very heart of me
ooh no baby please don't go
ooh girl I just want you to stay

A love like ours this love it's hard to find
how could we let it slip away?
We've come too far to leave it all behind
How could we end it all this way?
when tomorrow comes and we both replay
the things we said today

A love like ours this love it's hard to find
how could we let it slip away?
We've come too far to leave it all behind
How could we end it all this way?
when tomorrow comes and we both replay
the things we said today

If you leave me now
you'll take away the biggest part of me
ooh no baby please don't go

Ooh girl I just got to have you by my side
ooh no baby please don't go
ooh my girl I just got to have your loving

Chicago

If you leave me now
you'll take away the biggest part of me
ooh no Jesus please don't go

And if you leave me now
you'll take away the very heart of me
ooh no Jesus please don't go
ooh God I just want you to stay

A love like yours this love's unique in kind
how could I let it slip away?
I've come too far to leave it all behind
help me to end it all this way
then tomorrow comes and we both replay
the things we did today

A love like yours this love's unique in kind
how could I let it slip away?
I've come too far to leave it all behind
help me to end it all this way
then tomorrow comes and we both replay
the things we did today

If you leave me now
you'll take away the biggest part of me
ooh no Jesus please don't go

Ooh God I just got to have you by my side
ooh no Jesus please don't go
ooh my God I just got to have your loving
