

Don't gimme that

Uh
Don't gimme that (Don't gimme that)
Uh
Don't gimme that (Don't gimme that)
Uh
Don't gimme that

Take my body, take my soul
But don't take my rock'n'roll
Don't you dare, I'll see red
Hold your tongue but don't gimme that

Take my money, take my car
Don't you take my guitar
It won't play with you
Hoochie Koo, screw you

(Don't gimme that)
Oh baby you can take everything
It don't mean a thing
Anything to me
(Don't gimme that)
But don't control my rock'n'roll
No, no, uh, uh, uh, uh, uh, uh
Shut your head
Hey baby don't gimme that

Uh, uh
Don't gimme that

Well give me double trouble
Heartache and pain
I'll take the blame
(But don't gimme that)
Lock me up, put me in chains
Ain't too bad
But don't gimme that (Don't gimme that)
Do whatever you wanna do to me
You cannot steal my esprit
You're barking up the wrong tree
Uh

Don't gimme that

Incredible

Uh
Incredible (incredible)!
Uh
Incredible (incredible)!
Uh
Incredible!

You've got body, you've got soul,
you control rock'n'roll.
You've got cash, you've got fame,
life's a cool and easy game.

But at night you are scared
when those beings are there,
make you lose your mind,
always search, never find.

(Incredible)
You think that you can do everything,
get away with it,
so it seems to be.
(Incredible)
But there's a God in universe
oh yeah, uh, uh, uh, uh, uh, uh!
Think about
what He may think of you!

Uh, uh
Incredible!

You're heading for your trouble,
fire and pain,
no one's to blame
(except yourself).
You've got all here on earth,
made your deal,
but a crappy deal (a crappy deal)!
For whatever you may gather here,
you cannot bring it with you
when your time is finally over...
Uh

Incredible!

Oh baby you can take everything
It don't mean a thing
Anything to me
(Don't gimme that)
But don't control my rock'n'roll
No, no, uh, uh, uh, uh, uh, uh
Shut your head
Hey baby don't gimme that

Don't gimme that

Don't gimme that (No, no)
Let me breathe (Don't gimme that)
I want another survival
I won't give up my dreams
You cannot break my wings (Oh no)
Baby, I'm a survivor
So don't gimme that
Uh

Don't gimme that

Don't gimme that
Oh baby you can take everything
It don't mean a thing
Anything to me
(Don't gimme that)
But don't control my rock'n'roll
No, no, uh, uh, uh, uh, uh, uh
Shut your head
Hey baby don't gimme that

Don't gimme that

Don't gimme that

Don't gimme that

The Boss Hoss

Oh boy, I know it's not popular
if one mentions things
of the afterlife
(incredible).
But there is more than rock'n'roll,
oh yeah, uh, uh, uh, uh, uh, uh:
When you're dead,
your soul will witness that!

Incredible!

Seems incredible? (Oh yeah)
Do believe! (the incredible)
And there is only salvation
if you confide your heart
to your savior's dear hands! (Oh yeah)
Jesus is your savior,
He's invincible!
Uh

Invincible!

Invincible!
Oh boy, I know it's not popular
if one mentions things
of the afterlife
(incredible).
But there is more than rock'n'roll,
oh yeah, uh, uh, uh, uh, uh, uh:
When you're dead,
your soul will witness that!

Incredible!

Incredible!

Incredible!
