

## *Imagine*

Imagine there's no heaven  
It's easy if you try  
No hell below us  
Above us only sky

Imagine all the people  
Living for today ahaaa

Imagine there's no countries  
It isn't hard to do  
Nothing to kill or die for  
And no religion, too

Imagine all the people  
Living life in peace

You, you may say I'm a dreamer  
But I'm not the only one  
I hope someday you'll join us  
And the world will be as one

Imagine no possessions  
I wonder if you can  
No need for greed or hunger  
A brotherhood of man

Imagine all the people  
Sharing all the world

You, you may say I'm a dreamer  
But I'm not the only one  
I hope someday you will join us  
And the world will live as one

## *Join our happy world*

Imagine we all listen  
to God and to our hearts:  
We will restore the system  
we had right from the start.

So read what has been written  
through the voice of God! Ahaa

We need a certain guidance  
to give us rules and laws  
'cause otherwise the weak ones  
remain unsafe and poor.

So read what God has told us,  
Lorber wrote it down!

You may refuse to believe it  
but it still remains His word.  
I hope someday you will see it  
and join our happy world.

The enemy is eager  
to copy and beguile,  
that's why he also gave us  
some words in this same style.

So learn to see the difference,  
discern the spirits well!

You may refuse to believe it  
but God gave us this word.  
I hope someday you will see it  
and join our happy world.
