

Oh when the saints

Oh when the saints go marchin' in
oh when the saints go marchin' in
Lord I want to be in that number
when the saints go marchin' in

When Gabriel blows in his horn
when Gabriel blows in his horn
Lord I want to be in that number
when the saints go marchin' in

And when the sun refuse to shine
and when the sun refuse to shine
Lord I want to be in that number
when the saints go marchin' in

And when the moon turns red with blood
and when the moon turns red with blood
Lord I want to be in that number
when the saints go marchin' in

And when the stars fall from the skies
and when the stars fall from the skies
Lord I want to be in that number
when the saints go marchin' in

And when the trumpet sounds the call
and when the trumpet sounds the call
Lord I want to be in that number
when the saints go marchin' in

And when they crown him King of Kings
and when they crown him King of Kings
Lord I want to be in that number
when the saints go marchin' in

And when they gather round the throne
and when they gather round the throne
Lord I want to be in that number
when the saints go marchin' in

And when the air is pure and clean
and when the air is pure and clean
Lord I want to be in that number
when the saints go marchin' in

And when we all have food to eat
and when we all have food to eat
Lord I want to be in that number
when the saints go marchin' in

Oh when the new world is revealed
oh when the new world is revealed
Lord I want to be in that number
when the saints go marchin' in

Oh when the saints go marchin' in
oh when the saints go marchin' in
Lord I want to be in that number
when the saints go marchin' in
