

## Stargazer

Stargazer  
You with your head in the heavens  
You'll never get by  
Walkin' that high off the ground

Hey moon dreamer  
I've been around and I've seen it  
The higher you get  
The harder they let you down

You pay your dues  
It seems forever  
And if you're clever  
You may be in for a while  
Then you're out of style

Hey, stargazer  
Probably think I'm crazy  
And you haven't heard  
One single word I've said

And I don't want  
To burst your bubble  
But you got trouble  
Don't you know the higher the top  
The longer the drop  
Hey, stargazer

Now, I don't want  
To burst your bubble  
But you got trouble  
Don't you know the higher the top  
The longer the drop  
Hey, Stargazer

*Neil Diamond*

## Starmaker

Starmaker  
almighty and eternal,  
you made the worlds  
and told us how and why.

You High Spirit  
made other spirits 'round you  
but some did fall  
and became hard and dry.

Matter emerged  
as suns and planets  
and all those „matters“  
are meant to disintegrate  
Satan and mates.

So the Starmaker  
makes him a little loser.  
Instead the man  
will be Starmaker's child.

And all who want  
to be His children,  
beloved children,  
can now be in for a ride  
to heavenly sites  
with the Starmaker.

And all who want  
to be His children,  
beloved children,  
can now be in for a ride  
to heavenly sites  
with the Starmaker.
