

Water of love

High and dry in the long hot day
Lost and lonely every way
Got the flats all around me sky up above
Yes I need a little water of love

I've been too long lonely and my heart feels pain
Crying out for some soothing rain
I believe I have taken enough
Yes I need a little water of love

Water of love deep in the ground
But there ain't no water here to be found
Some day baby when the river runs free
It's gonna carry that water of love to me

There's a bird up in a tree sitting up high
Just a-waiting for me to die
If I don't get some water soon
I'll be dead and gone in the afternoon

Water of love deep in the ground
But there ain't no water here to be found
Some day baby when the river runs free
It's gonna carry that water of love to me

Once I had a woman I could call my own
Once I had a woman now my woman she gone
Once there was a river now there's a stone
You know it's evil when you're living alone

Water of love deep in the ground
But there ain't no water here to be found
Some day baby when the river runs free
It's gonna carry that water of love to me

(Carry that) water of love deep in the ground
But there ain't no water here to be found
Some day baby when the river runs free
It's gonna carry that water of love to me

Water of life

If you feel there's something wrong
with your life, the joy has gone,
search for God, look up above,
He's the only source of life and love.

Heaven is the place where you came from,
please don't lose your path to home!
Give to Jesus joy and pain,
He will guide you to your aim.

Water of life, get it for free,
Jesus gives it to you and me.
Come to Him to free your soul,
leave behind that life of old.

Don't be scared of troubled days,
your soul saw through godly grace
what would happen on this earth.
Once you will have proved your worth.

Water of life, get it for free,
Jesus gives it to you and me.
Come to Him to free your soul,
leave behind that life of old.

Stop messing around with false gods,
only one can be the Lord.
Jesus is there a-waiting for you,
He's the best friend you ever knew.

Water of life, get it for free,
Jesus gives it to you and me.
Come to Him to free your soul,
leave behind that life of old.

Water of life, get it for free,
Jesus gives it to you and me.
Come to Him to free your soul,
leave behind that life of old.
