

"You've Got To Hide Your Love Away"

Here I stand head in hand  
Turn my face to the wall  
If she's gone I can't go on  
Feeling two-foot small

Everywhere people stare  
Each and every day  
I can see them laugh at me  
And I hear them say

Hey you've got to hide your love away  
Hey you've got to hide your love away

How can I even try  
I can never win  
Hearing them, seeing them  
In the state I'm in

How could she say to me  
Love will find a way  
Gather round all you clowns  
Let me hear you say

Hey you've got to hide your love away  
Hey you've got to hide your love away

"You've Got To Hide Your Love Away"

Here I stand head in hand  
Turn my face to Jesus  
He isn't gone so I'll go on  
Feeling two-foot small

Everywhere people stare  
I can't hide away  
I can see them laugh at me  
And I hear them say

Hey you seem to hide your love away  
Hey you Christian hypocrite they say

But Jesus says to them  
STOP it, don't judge  
I don't know you yet  
at all! Repent!

Oh my precious Jesus Christ  
I know, love's the way  
Fill my heart with your sweet love  
Let me hear you say

I will clean your heart from all filth  
I will be your father in the end
