

Everybody knows

Everybody knows that the dice are loaded
Everybody rolls with their fingers crossed
Everybody knows the war is over
Everybody knows the good guys lost
Everybody knows the fight was fixed
The poor stay poor, the rich get rich
 that's how it goes
Everybody knows

Everybody knows that the boat is leaking
Everybody knows that the captain lied
Everybody got this broken feeling
Ah, like their father or their dog just died
Everybody talking to their pockets
Everybody wants a box of chocolates
 and a long-stem rose
Everybody knows

Everybody knows that you love me baby
Everybody knows that you really do
Everybody knows that you've been faithful
Ah, give or take a night or two
Everybody knows you've been discreet
But there were so many people
 you just had to meet
 without your clothes
And everybody knows

Everybody knows
Everybody knows
That's how it goes
Everybody knows

Everybody knows
Everybody knows
That's how it goes
Everybody knows

And everybody knows that it's now or never
Everybody knows that it's me or you
And everybody knows that you live forever
Ah, when you've done a line or two
Everybody knows the deal is rotten
Old Black Joe's still pickin' cotton
 for your ribbons and bows
And everybody knows

Michelle (Everybody knows)

What a festival down in Chicago
when they celebrated victory!
Everybody cheered and was excited,
hoping they would alter history.
Everybody cheered the little family:
a mom, a dad and those two girls
 with lovely curls –
Everybody cheered!

Oh, they knew to handle all the media,
feeling like at home in studio.
Famous papers put them on their covers,
making cash from their exterior.
Everybody thought they were so perfect
'cause nobody looked behind the scene
 but there has been
something you should know.

Many people heard Joan Rivers talking
and exposing what they really are.
Some were shocked to learn the truth about them,
others knew it well, right from the start.
They are gay and they cannot have children,
and the girls were borrowed
 from some friends
 only to pretend
to be a family.

Everybody knows:
"She" is not Michelle,
"she's" not a girl,
everybody knows.

Everybody knows:
Michael is a guy,
he is a guy,
everybody knows.

Everybody hoped he would be leading
better than the other presidents.
But he used that power for destruction
and incited hate and violence.
Babies in the womb were more in danger.
"Ending pregnancy? No one's to blame her!"
 Is that not weird?
But so many cheered.

And everybody knows that the plague is coming
Everybody knows that it's moving fast
Everybody knows that the naked man and woman
Are just a shining artifact of the past
Everybody knows the scene is dead
But there's gonna be a meter on your bed
that will disclose
What everybody knows

And everybody knows that you're in trouble
Everybody knows what you've been through
From the bloody cross on top of Calvary
Ah, to the beach of Malibu
Everybody knows it's coming apart
Take one last look at this Sacred Heart
before it blows
And everybody knows

Everybody knows
Everybody knows
That's how it goes
Everybody knows

Everybody knows
Everybody knows
That's how it goes
Everybody knows

Everybody knows
Everybody knows
That's how it goes
Everybody knows

Everybody knows
Everybody knows
That's how it goes
Everybody knows

Leonard Cohen

Everybody listen to my warning
'cause his power hasn't ended yet.
He has never left that vibrant city,
Washington, D.C. is still being played.
He is still the puppet master,
pulling every string from behind the scene,
and you should see
where the story leads.

Everybody listen to my warning
'cause his power hasn't ended yet.
He has never left that vibrant city,
Washington, D.C. is still being played.
He is still the puppet master,
pulling every string from behind the scene,
and you should see
where the story leads.

Open up your eyes,
see the King of Lies!
He's the King of Lies,
open up your eyes!

Open up your eyes,
see the King of Lies!
He's the King of Lies,
open up your eyes!

Open up your eyes,
see the King of Lies!
He's the King of Lies,
open up your eyes!

Open up your eyes,
see the King of Lies!
He's the King of Lies,
open up your eyes!
