

Torn between two lovers

There are times when a woman
has to say what's on her mind
Even though she knows
how much it's gonna hurt
Before I say another word,
let me tell you "I love you"
Let me hold you close,
and say these words as gently as I can

"There's been another man
that I've needed, and I've loved
But that doesn't mean
I love you less
And he knows he can't possess me,
and he knows he never will
There's just this empty place
inside of me that only he can fill"

Torn between two lovers,
feeling like a fool
Loving both of you
is breaking all the rules
Torn between two lovers,
feeling like a fool
Loving you both
is breaking all the rules

You mustn't think you failed me
just because there's someone else
You were the first real love
I ever had
And all the things I ever said,
I swear they still are true
For no one else can have the part
of me I gave to you

Torn between two lovers,
feeling like a fool
Loving both of you
is breaking all the rules
Torn between two lovers,
feeling like a fool
Loving you both
is breaking all the rules

I couldn't really blame you
if you turned and walked away
But with everything I feel inside,
I'm asking you to stay

Remember that one emperor

When you study some old history,
it's amazing what you find
and you wonder if
somebody kept you blind?
Could it be some forces
don't want you to detect
those events that could
revise your view of God and your own fate?

There has been an emperor,
Julian was his name.
He hated Christians and
loved to see their pain.
He incited Jewish leaders
to renew their claim
for sacrifices in a temple
so the covenant would remain.

Remember that one emperor,
Julian was his name.
With the power of Rome,
the temple should rise again.
But a higher power
showed its mighty hand!
Remember well,
then you'll understand.

They gathered all materials,
gold and stone and wood,
but the day they started,
all hell broke loose!
Fire from above and below,
earthquakes, heavy rain,
so many died, they had to end it
and never tried again!

Remember that one emperor,
Julian was his name.
With the power of Rome,
the temple should rise again.
But a higher power
showed its mighty hand!
Remember well,
then you'll understand.

Dear Jews of our era,
your leaders are to tell:
Are you sure you'll build another temple
and this time it goes well?

Torn between two lovers,
feeling like a fool
Loving both of you
is breaking all the rules
Torn between two lovers,
feeling like a fool
Loving you both
is breaking all the rules

Torn between two lovers,
feeling like a fool
Loving both of you
is breaking all the rules
Torn between two lovers,
feeling like a fool...
