

Three times a lady (Langversion)

Thanks for the times that you've given me
The memories are all in my mind
And now that we've come
To the end of our rainbow
There's something I must say out loud

You're once, twice, three times a lady
And I love you
Yes, you're once, twice, three times a lady
And I love you
I love you

You shared my dreams, my joys, my pains
You made my life worth living for
And if I had to live
My life over again
I'd spend each and every moment with you

You're once, twice, three times a lady
And I love you
Yes, you're once, twice, three times a lady
And I love you
I love you

When we are together, the moments I cherish
With every beat of my heart
To touch you, to hold you
To feel you, to need you
There's nothing to keep us apart

You're once, twice, three times a lady
And I love you

You're once, twice, three times a lady
And I love you

Yes, you're once, twice, three times a lady
I love you

I love you

The Commodores

Three times returning

The Time of Times was when Jesus was here
to show us how God loves us all.
He promised to come
and we still keep on waiting
but what if He already came?

He's once, twice, three times returning,
oh, can't you see?
Yes, He's once, twice, three times returning
and this time is three,
it's number three.

The first return was when the temple fell,
the Romans destroyed the land.
The second coming
occurred in the word,
the New Revelation was here.

He's once, twice, three times returning,
oh, can't you see?
Yes, He's once, twice, three times returning
and this time is three,
it's number three.

The time we are now in will see the third coming,
this time He'll return as a man.
But don't think He'll sit on
some throne in some city,
His kingdom is pure spirit might.

He's once, twice, three times returning,
oh, can't you see?

He's once, twice, three times returning
and this time is three.

Yes, He's once, twice, three times returning
and this time is three.

It's number three.
